

## *Our shared kitchen*

Feel free to cook your own meals in our shared kitchen, but please respect the following rules:

- Make sure Mariuska and Noivis have enough space to cook for your fellow guests
- Leave the kitchen as you found it
- Let us know if you brake something so we can replace it

Thank you for your understanding.

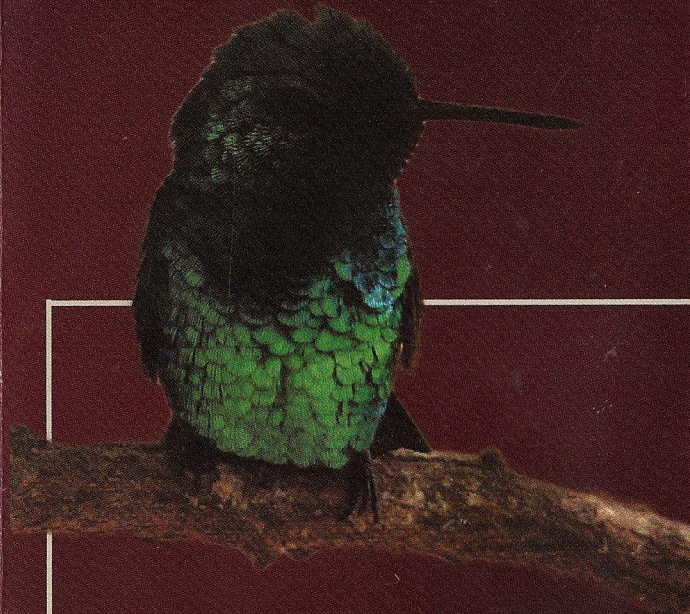

## *B&B Blenchi*

## *Blenchi*

*Blenchi is the papiamentu (our local language) word for hummingbird (kolibri in Dutch).*

*This beautiful little bird is a familiar guest in our gardens, where it defends it's territory against intruders.*

Enjoy your fresh fish and local dinners prepared by our lovely chefs Noivis and Mariuska!
